

Attention all teachers and kids:

It's time for the Spring 2023 Fight the Bite Contest!

To help us educate and inform the community about mosquitoes and West Nile virus, we're hosting the annual "Fight the Bite Contest" for students in grades K-12!

Use your creativity and art skills to draw a picture that will show us how you Fight the Bite and protect yourself from mosquitoes using **any or all** of the **D's of Mosquito Prevention:**

DRAIN any standing water that may produce mosquitoes.

DAWN and **DUSK** are times to avoid being outdoors.

DRESS appropriately by wearing long sleeves and pants when outside.

DEFEND yourself against mosquitoes by using an effective insect repellent.

DOOR and window screens should be in good working condition.

DISTRICT staff is available to assist with mosquito problems by calling 1-800-429-1022 or visiting us at FIGHTtheBITE.net.
